- Lea el siguiente texto. Marque todas las palabras relativas a parentesco que encuentre.

Hello! I'm Rodrigo Ortega. I'm from Mendoza, Argentina, but my parents are from Santiago. They are Chilean. I'm twenty three years old and I'm a salesman in a shoe-shop in a shopping centre.

My father is a mechanic, but he is not working now. His name is Pedro. My mother is a housewife. Her name's Rosa.

My sister is seven and my brother is fifteen. Their names are Antonella and Piero. They are students.

I also live with my uncle, Juan. He is my mother's brother. He is divorced and he lives with my cousins Camilo and Jimena. My grandfather, who also lived with us, died last month.
