

**11** Lee este párrafo y completa el organizador gráfico con tus ideas.

*Responsibility is a wonderful attribute to have in a child, teenager, adult, employee, employer, you name it! When children are young, they can be assigned chores to demonstrate that members of a family work together to maintain the home. In addition, responsibility induces maturity and increases self-esteem, as the child recognizes that he or she is a capable person.*

**Taken and adapted from:** What are some common teenage responsibilities? Retrieved from: <https://lifestyle.howstuffworks.com/family/parenting/tweens-teens/common-teenage-responsibilities.htm>

**My opinion:**
